

## **Roasted Beet Hummus**

Prep: 15 minutes | Cook: 40 minutes | Total: 55 minutes

Yield: 8 servings | Serving Size: ¼ cup

## **Ingredients**

1 medium beet, cut into 1-inch chunks (about 1½ cups)

- 4 tablespoons (¼ cup) olive oil, divided
- 3 cloves garlic, minced (about 1½ teaspoons)
- 1 lemon, zested and juiced
- 1 (15-ounce) can no-salt-added white beans (e.g. great northern, cannellini), drained and rinsed
- 2 tablespoons tahini (sesame seed paste; can substitute creamy peanut butter)
- ¼ teaspoon salt
- ¼ teaspoon ground black pepper

## **Directions**

- Preheat the oven to 400°F.
- Place the beet pieces on a baking sheet and toss with ½ tablespoon of the oil. Place in the oven and roast until fork-tender, about 30-40 minutes.
- 3. Meanwhile add the garlic and 2 tablespoons of the lemon juice to a small bowl and stir to combine. Set aside.
- 4. Add ¼ cup of the roasted beet to a food processor. Pulse until broken down into small pieces.
- 5. Add the garlic-lemon juice mixture, ½ teaspoon lemon zest, beans, tahini, salt, and black pepper. Puree the mixture until very smooth, while slowly drizzling in the remaining 3½ tablespoons of oil, about 3-4 minutes.
- 6. Finely chop the remaining roasted beet. Add to a small bowl and toss with any remaining lemon zest and 1 tablespoon lemon juice. Set aside.
- 7. Transfer the pureed mixture to a serving dish and garnish with the chopped beet and lemon mixture.
- 8. Serve right away, or store in an air-tight container in the refrigerator for up to 7 days. May be frozen if desired.
